

A007 Plastic Air Blow Gun for Pneumatic Cleaning

Product Overview

The A007 is a lightweight plastic air blow gun with short, standard, and long nozzle options for compressed air cleaning, drying, and maintenance work.

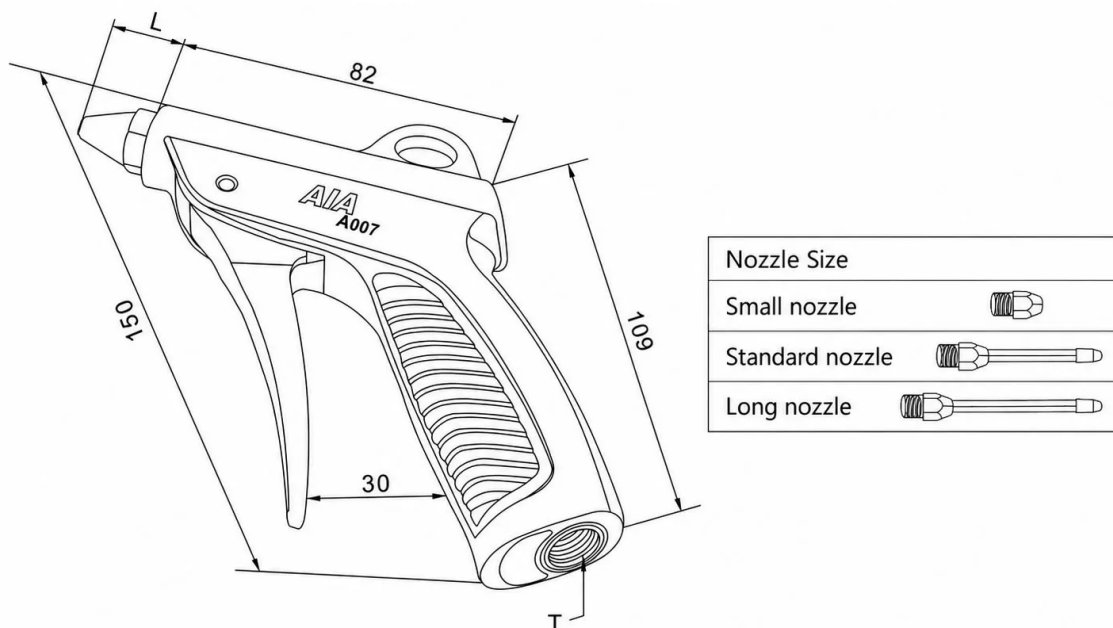

Key Features

- Lightweight plastic body for comfortable daily operation.
- Short, standard, and long nozzle choices for different access needs.
- Suitable for dust removal, chip blowing, drying, and cleaning.
- 1/4 in PT connection for common pneumatic installations.
- Custom barrel length available for special workstation layouts.
- Practical for distributors, machinery factories, and OEM users.

Technical Specifications

Parameter	Specification
Product Name	A007 Plastic Air Blow Gun
Model Options	A007-S, A007, A007-L
Working Medium	Filtered compressed air
Operating Temperature	-20 °C to 60 °C
Working Pressure	0 to 10.0 kgf/cm ²
Body Material	Plastic
Nozzle Options	Small nozzle, standard nozzle, long nozzle
Barrel Length	18 mm, 130 mm, 300 mm options
Thread Option	1/4 in PT
Accessories	PM20 pneumatic fitting option
Typical Application	Dust removal, air cleaning, drying and maintenance
Customization	Barrel length can be customized

Model Selection and Dimensions

Model	L	Muzzle Size	T	Accessories
A007-S	18 mm	Small nozzle	Copper 1/4 in PT	PM20
A007	130 mm	Standard nozzle	Copper 1/4 in PT	PM20
A007-L	300 mm	Long nozzle	Copper 1/4 in PT	PM20

* Barrel length can be customized.

Applications

- Workshop cleaning and machinery maintenance.
- Assembly workstations and production equipment cleaning.
- Part drying, surface preparation, and chip removal.
- OEM equipment and pneumatic tool supply programs.

Operating Guidance

Use filtered compressed air within the specified range. Select the nozzle and barrel length according to cleaning distance, machine layout, working position, and access space.

Safety Notes

- Do not direct compressed air toward people or unprotected skin.
- Isolate and depressurize the air supply before installation or service.
- Confirm thread compatibility and secure all connections before use.
